Subject: Cleanup could hurt local jobs

I believe it is wrong for out-of-state regulators to tell Oregonians we should pay for an expensive cleanup.

I support a thorough cleanup plan for the Willamette River but the idea that we can restore the river to its original state is not realistic. That kind of cleanup would take forever and it would cost a ton. Make sure that we get a flexible cleanup plan that works.

Please do what's right for Portland, our environment and our jobs.

Sincerely,
